**✂Marathon** Thank you to all of you that sponsored my husband, Adrian, in the London Marathon last weekend. He did brilliantly and after 26.2 painful miles he will have raised in excess of £5000 to fund JDRF in finding a cure for children like Joe with Type 1 diabetes. This would not have been possible without your help and I am so very grateful, many thanks. Emma Pearce

#### **Association for the Propagation of the Faith (APF)**

The Association for the Propagation of the Faith (APF) assists each and every one of the Catholic Church's 1,062 mission dioceses and territories to provide pastoral care and preach the Gospel effectively.

It was founded in Lyons, France, in 1822 by a young French woman, Pauline Jaricot. She began by persuading local working people to support the missions by giving a farthing a week. A century later, when the organisation was established in almost every country of the world, Pope Pius XI made it the official mission-funding society for the Catholic Church.

The APF works in England and Wales with the Mill Hill Missionary Society, the only major missionary society to have been formed in England. Mill Hill was one of the first societies to introduce lay missionaries, and its priests, lay brothers and associates work in 27 countries and every continent.

In England and Wales funds for the Missions are collected through the famous Red collection Boxes. These can be found in 200,000 homes and they have helped raise millions of pounds for the missions.

*The Lamp in the Lady Chapel* burns this week in honour of Our Lady and for the Pope's intentions

Welcome to anyone who may be visiting our church, or if you have recently arrived in the area. We hope that you will enjoy being with us for our worship. There is a very brief history of the Sacred Heart Church by the doorway – please help yourself to a copy.

If you are putting money in the collection (for which we are always very grateful) you might like to use one of the yellow envelopes at the back of the church labeled 'Gift Aid Declaration'. These allow us to reclaim the tax paid on the gift, increasing its value to us by 28% (at no cost to you).
