I have a receipted Red Box which I am unable to return as it was unnamed. There was also an unnamed bag of coins. I would be happy to give receipted boxes to the holders if

The Haiti Earthquake – an extract from an email from CAFOD

The earthquake was so strong that it destroyed many buildings including the cathedral, the National Palace and the UN headquarters, as well as hundreds of thousands of homes. It is believed that tens of thousands of people have died including the Archbishop of Port-au-Prince, Monsignor Joseph Serge Miot.

We are in a strong position to respond on the ground in Haiti through our church partners, including Caritas Haiti who are assessing the situation right now and finding out what is most needed. Because the earthquake has been so destructive, most of the roads are impassable so our partners are travelling by motorbike or on foot to reach the most vulnerable people.

We will be working closely with Caritas International - a group of Catholic agencies from around the world - to get help to those who need it most. The money you raise will help our partners supply water, food, medicines and shelter to people in the worst affected areas and help people to rebuild their lives in the long term.

You can contribute to CAFOD in our second collection today, or online at www.cafod.org.uk, or by post to: CAFOD, Romero Close, Stockwell Road, London SW9 9TY

The Lamp in the Lady Chapel burns this week in honour of Our Lady and in thanksgiving

Welcome to anyone who may be visiting our church, or if you have recently arrived in the area. We hope that you will enjoy being with us for our worship. There is a very brief history of the Sacred Heart Church by the doorway – please help yourself to a copy.

If you are putting money in the collection (for which we are always very grateful) you might like to use one of the yellow envelopes at the back of the church labeled 'Gift Aid Declaration'. These allow us to reclaim the tax paid on the gift, increasing its value to us by 28% (at no cost to you).
